

**Course title:** HBIGS Job Application training I

**Teaching module:** **Strategies for the German Job Market**

**Learning goals:** This workshop will cover the most important aspects of the job application phase. We will analyze your application materials, we will work on possible strategies for your job fair participation, and then take a closer look at the selection setting itself:

- Job interview training (typical questions, role play exercises)
- Self-presentation in interview and assessment center settings
- Assessment center (typical exercises, example situations)

**Date:** **21 and 22 March 2014**, 9:00 a.m. – 5.00 p.m.

**Venue:** HBIGS Center, INF 501, 69120 Heidelberg

**Participants** limited to **12**

**Teacher** **Daniel Stather** (Dipl. Psych.), O&P Consult Heidelberg

**Registration:** HBIGS online system
