

## MSc Fellowship Program

RUPRECHT-KARLS-  
UNIVERSITÄT  
HEIDELBERG

The newly founded *Hartmut Hoffmann-Berling International Graduate School of Molecular and Cellular Biology Heidelberg* aims to educate tomorrow's academic elite seeking new frontiers in science, medicine, and biotechnology.

As part of this objective, the Graduate School is offering

### **three MSc fellowships per year**

to outstanding students from Africa.  
Each fellowship amounts to € 8000 p.a.  
and can be granted for up to two years.

### **Who can apply?**

Candidates who have a Bachelors degree in Biosciences and who wish to perform their Masters degree in Molecular Biosciences or Molecular Biotechnology, respectively.

for further information.

### **MSc programs offered by the Faculty of Biosciences**

#### **Molecular Biosciences**

Majors:

- Cancer Biology
- Developmental Biology
- Evolution and Ecology
- Infectious Diseases
- Molecular and Cellular Biology
- Molecular, Cellular and Developmental Biology of Plants
- Neuroscience
- Systems Biology

Deadline for application: March 31st, every year

#### **Molecular Biotechnology**

Majors:

- Drug Development
- Bioinformatics
- Biophysical Chemistry

Deadline for application: April 30th, every year
