

## HBIGS Career Service

**Course title:** HBIGS Job Application training II

**Teaching module:** **Strategies for Going Abroad (UK, US, Australia)**

**Learning goals:** For the seminar we will be focusing on three main countries: Great Britain, United States of America and Australia and comparing their different cultural expectations. You will have the opportunity to learn to utilise your strengths and minimise your weaknesses when presenting yourself at interviews abroad. Through the use of interactive simulations we will explore areas such

- Answering difficult interview questions
- Positive body language, etc.

Find out about the dos and don'ts of writing Resumes (Curriculum vitae) and learn how to write a good cover letter. Also get the answers to FAQ's, e.g.

- Do I have the necessary language skills to work abroad?
- What test do I need to take and how should I prepare myself for it?
